Scenery/Technical Direction (Mandy and Ron):

No notes tonight, thank you

Lights (Mandy/Donnie/David):

51. We will be able to have the run through on Monday after all. We just need to postpone it until 7pm so that we can block two final scenes in the play.

Costumes (Joe):

Thank you for all your help with the photo call.

52. Claire's loafers are a little large and her heels come out of her shoes when she walks. Would it be possible to do something to prevent this?

Props (Mandy and Vicky):

53. Would it be possible to get rehearsal trays next week? The final number will be on the updated props list, but we believe that 4 trays will be enough for the show.

54. Thank you for the nifty prop tables and for modifying the stool. It rolls wonderfully. We will know more about the rungs after Monday's run.

Sound (Mark):

Please see lighting note #51

55. When would you like to set up a time to record David's voice for the cue on p. 49?

Miscellaneous:

Please note that the crew meeting will take place in the theatre at 5pm on Monday, and an interview beginning at 6.

Thanks everyone,

- Laurie Kincman, Stage Manager
