REMARKS: Date of birth has been recoded into actual age in Cols. 92 and 93. See Appendix D: Recodes. See Appendix E: Age Distributions, for detailed responses. The distribution for the first digit, Col. 92 is given below. See Appendix N for changes across surveys. The response categories have been collapsed for convenience of display.

68. We are faced with many problems in this country, none of which can be solved easily or inexpensively. I'm going to name some of these problems, and for each one I'd like you to tell me whether you think we're spending too much money on it, too little money, or about the right amount. First (READ ITEM A) . . . are we spending too much, too little, or about the right amount on (ITEM)?

G. Improving the nation's education system

252. Now I'm going to read several more statements. As I read each one, please tell me whether you strongly agree, agree, disagree, or strongly disagree with it. For example, here is the statement:

B. It is more important for a wife to help her husband's career than to have one herself.
