<p>NOTES ON THIS LATEST VERSION:</p> <p>(1) Campus Closeups, student interviews, and music theatre auditions are still on the calendar</p> <p>(2) "ready to stream" and proposed stream dates for fall shows listed (we get 7 24-hour periods)</p> <p>(3) It is likely that COVID-related changes will be necessary in the spring. This calendar does NOT guess what they will be!</p> <p>I have opted to lay out a standard schedule so that we can discuss changes based on health needs & lessons learned from the fall.</p>

28	29	30	31	<p>Yes, there is an extra week of rehearsal before the kids designer run. Because it is a devised piece without a live audience, this is time to figure stuff out!</p> <p>Also, there is only one day for filming because we could film a short show twice on the same night.</p>
